Rnd 61-62) ch 2, sc in each st around, sl st in 2nd ch st.

Finish off.

Note: This hat can be made for any size.

For a **LARGER** size:
Just continue to add rows of: [ch 2, *sc in next 8 st, 2sc in next st* around, sl st in 2nd ch st.] until it's as large as you need it, then continue on to row 49 where you'll add the length needed. Then finish the brim as described in rounds 60-62.

For a **SMALLER** size:
Simply stop increasing by row when you get to the width you need the hat. Then add the length in round 49 for as long as you need it. The brim comes last (rounds 60-62).

Purple Band:

Row 1) ch 77, dc in 4th ch from hook, dc in each st across, ch 3 and turn.

Row 2) dc in next st, dc in next 7 st, dc2tog, *dc in next 8 st, dc2tog, repeat from * five more times, dc in next 4 st, ch 3 and turn.

Row 3) dc in next st, dc in next 7 st, dc2tog, *dc in next 8 st, dc 2 tog, repeat from * four more times, dc in next 7 st.

Finish off.

To make the band larger, add to the initial chain and follow the pattern [*dc in 8 st, dc2tog*]
To make the band smaller, subtract stitches from the initial chain and do the same.

I laced the ends of the band together with a piece of purple yarn and tied a bow at the end. Then I pulled the band over the top of the hat, down to the position that looked best. Make sure to line up the bow with the back of the witch's hat.

You're finished! Give yourself a pat on the back!
